Life Is Not The Same Without You

*The sun still rises in the east and darkness falls at night.
But nothing now seems quite the same, each day is not as bright.
The birds still sing the flowers grow and the breeze still whispers
too. But it will never ever be the same, in this world with out You.
It's so sad that You had to go, you're leaving caused such pain.
But You were very special and earths loss, is Heavens gain.*
