

A woman with short hair, wearing sunglasses, a black sleeveless dress with a patterned bodice, a gold necklace, and a white cast on her left hand, stands on a sandy beach. The background is a bright blue sky with white clouds and turquoise ocean waves. Two white doves are flying in the sky, one on the left and one on the right. Palm fronds are visible at the top of the image.

# *A Letter for Mommy*

From your only baby girl Al-Nisa Shaquanna Love. We may have had our differences through it all we had our love and fun. I gave you four beautiful granddaughters and we all love you even though you are no longer around. I will never forget our trips to New York and we saw Busta Rhymes but you said forget him because they made you throw away your drink, I thought that was so funny. Through all the bad times we had wonderful times as mother and daughter and now it's time to say goodbye. I love you may you rest in peace until it's time for us to meet again.

LOVE, Al-Nisa
