Dear Jesse

Oh how we miss you, no more clamoring in the morning getting ready for work, no more of the dogs racing to the front door when they hear you turn the keys, barking with excitement, nothing feels the same, but you left us with so many great memories that we will cherish in our hearts and minds yes it was too soon but it

was God's will and I cannot question God, he knows best, but he also took the best. Jesse you can never be replaced.

Jesse you made a vow that whenever there was any adversity in our lives that we would not give up on one another, that we should stick together to the end no matter what, that's what we did. We did not let others influence our commitment to one another with their opinions on ideas. It was me, you and Tiffani to the end. Your little Princess Tiffani admired how you would work so hard, she said mommy I want a Husband just like daddy. Nothing is perfect, but you gave your best and all to make sure that you took care of us, your family was everything to you. You provided for us always in life and you continued to provide for us in death (Our King).

Acknowledgement

Perhaps you sent a lovely card or sat quietly in a chair.

Perhaps you sent a floral piece If so, we saw it there.

Perhaps you spoke the kindest words as any friend could say.

Perhaps you were not there at all just thought of us on that day.

Whatever you did to console our hearts, We Thank You,
Whatever the part.
