I'm Free

*Don't grieve for me,
for now I'm free
I'm following the path
God has laid for me
I took His hand when
I heard him call*

*I turned my back and left it all
I could not stay another day
To laugh, to love, to work, to play
Tasks left undone must stay that way
I found that peace at the close of day
If my parting has left a void,
Then fill it with remembered joy
A friendship shared, a laugh, a kiss
Oh yes, these things I too will miss
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow
My life's been full, I savored much
Good friends, good times, a loved one's touch
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief
Lift up your hearts and peace to thee
God wanted me now; He set me free!*
