A World Without Tears

Just think of a world, a world without tears.
Where a man can live for a million years.
With never a grief, an ache, or a pain
And never a thought of dying again.
Think of a world where a lame man will leap
From crag to crag like a deer or a sheep.
Where none will be deaf or none shall be blind,
And the dumb shall sing and speak forth his mind.
Now a "World without tears". Is not just a dream.
As many a person might make it to seem,
For just as sure as the bible is true ...
A world without tears now lies before you.
