East Ridgelawn Cemetery

**The moment that you died
My heart was torn in two
One side filled with heartache,
The other died with you**

**I often lie awake at night,
When the world is fast asleep, and
Take a walk down memory lane,
With tears upon my cheeks**

**Remembering you is easy,
I do it everyday,
But missing you is heartache
That never goes away.**

**I hold you tightly within my heart
And there you will remain
Until the joyous day arrives,
That we will meet again.**
