Obituary

Kenneth Francis grew up on West End Avenue in Newark, NJ where he was the youngest of five children.

A quiet young man who loved to play with friends and loved playing his video games.

Kenneth went to Westside High School and then later decided he wanted to pursue his dream in Automotive at Lincoln Tech. He completed his training and received his degree as an Auto Mechanic.

Kenneth and Najeerah met in 2006 and later decided to start a family and were blessed with three beautiful children. He was a humble man and a good father to his children. He loved to read, his favorite book was the bible. He knew just about every scripture in the bible and if you ever met him you would have known how much he loved to read it.

Kenneth joined Providence Baptist Church in 2009 the church became his extended family. Shortly after joining Providence he became one of the churches ushers, he loved providence and his relationship with Pastor Grove brought him closer to God.

He was a good man, a great father to all of his children. Everyone he crossed paths with will always have good things to say about him. He will forever be known for his smile, word encouragement and wisdom. His laugh was infectious even when he was down he would always say God is Good. He loved to laugh and just enjoyed life when he wasn't working he would spend his time with his children and enjoyed watching his favorite team (Knicks and Giants).

Kenneth memories will be forever cherished. He leaves behind his mother, Martha Francis; father, the late Lawrence Cooks; sons, Naquan Tubb, Kenneth Francis and Jeremiah Francis; daughter, Makayla Francis; sisters, Selena Francis, the late Tammy Francis; brothers, Charles Francis; the late Lawrence Francis; and a host of nieces, nephews and friends who all loved him.

An Eternal Memory...

...Until We Meet Again

Those special memories of you
will always bring a smile
if only I could have you back
for just a little while
Then we could sit and talk again
just like we used to do
you always meant so very much
and always will do too
The fact that you're no longer here
will always cause me pain
but you're forever in my heart
until we meet again
