Obituary

Robin Austin passed away peacefully August 2 2026 in Jersey city New Jersey. Born June 17th 1958 To Gloria Gayle Austin and Russel Austin. Robin Austin grew up around love, faith and laughter.

She attended Barringer high school and went on to be the jack of many trades. Pick it she did it. From Ford motors, Anheuser-Busch to shop Stewart at The prudential center.

She was known for being spontaneous, and the life of the party. She was also really funny to the fact her last words before she left this earth were "I'm off to see the wizard". She had a heart of Gold and would go out her way to do anything for anyone.

She was such a loving, giving, kind soul and everyone loved Robin. She is survived by her mini me as she would always say Roslyn Austin, Mother Gloria Austin and brothers Tracey Edwards and David Austin. A host of loved ones and friends. We also can't forget her companion, her Superman James Jenkins.

Robin will be missed by many and will forever be in our hearts.

She was a shining star and a love that was never to far. We love you dearly. Rest. We are ok that you're ok. Love the family.

Serenity Prayer

GOD, grant me the Serenity to accept the things I cannot
change, Courage to change the things I can,
and the Wisdom to know the difference.

Living one day at a time;

Enjoying one moment at a time;

Accepting hardship as the pathway to peace.

Taking, as He did, this sinful world as it is,
not as I would have it.

Trusting that He will make all things right
if I surrender to His Will;

That I may be reasonably happy in this life, and supremely
happy with Him forever in the next.

Amen
