Obituary

Margaret Burton entered this life on January 27, 1934. She was born to her parents, Herbert and Lucille Burton, in Lumberton, North Carolina.

Margaret's mother, Lucille (Lucy), traveled north, eventually settling in NYC. Margaret graduated from Morris High School in the Bronx and quickly began working at the NY Telephone Company as an Operator. Margaret went on to secure a job with Western Union as a Credit & Collection Specialist, later becoming a Manager within her department.

Margaret married John P. Moreno in September 1954. In 1961, their union brought forth one precocious daughter, Robin Patricia — the center of both their lives!

In 1973, Margaret would meet and become closely partnered with Agrey Phils, of Trinidad and Tobago. Margaret went on to work in fashion at the Poco Poco Shop in Parkchester, NY, a trendier version of Plymouth Shops for mature women who knew "who" they were and "what" they wanted...! (Ms. M, for sure!!!)

Margaret happily retired in 1985!

Margaret had one older sister, Mary Louise Ballard Shipman, and two younger brothers, Charlie (Billy) Burton and James (Bebe) Burton. Margaret is survived by her only daughter, Robin Patricia Moreno, as well as her nephews and nieces — David, Deborah Carol, Cheikh, yvette, Freesoul, Kim, Gaye, Pam, Nicki, Tony, Tanya, Aisha, Alicia, Charlie, and Allen — and her Lady Posse: Anne, Martha, Esther, Joy, and Hazel, along with so many more dear friends and neighbors from each portion of her life. She was preceded in death by her nephew, Yusef Ahmed White.

Hers was a life well lived, rich with lasting friendships; she was whole-heartedly loved and will be sorely missed.

Margaret departed this life on September 12, 2026, entering into the Lord's loving arms.

I Just Didn't Know It

I just didn't know it...!

The last time my Mother said "I love you,"

I didn't know that it would be the last time I would ever hear her voice...

*The last time that we laughed together over something silly I had done was
the last time I would see and hear my Mother laugh with joy...*

*The last time that my Mother grabbed and held my hand so tightly was the
last time that she would reach out and touch me...*

*The last time that I looked into my Mother's eyes and saw them glossed over
with tears, I didn't know that she was saying goodbye...*

*And the last time that my Mother called out that she loved me, I didn't know
that she was already gone.*

I just didn't know it...

Acknowledgments

**The family would like to express their deep appreciation and
sincere thanks for all acts of kindness shown to them during
their time of bereavement.**
