Obituary

Rose Miller was born on January 11, 1965, to her loving parents, Edna Russell and Clinton Levy, A home delivery located in Russell's District, Saint Elizabeth, Jamaica. She was the oldest of eleven children, growing up alongside three brothers and seven sisters.

Rose received her early education at Russell's Primary School in Saint Elizabeth, Jamaica. As a young woman, she met and fell in love with Cecil Curtis, with whom she began building a family. During their union, Rose welcomed four beautiful children into the world, two daughters and two sons, while residing in Jamaica. She later made the journey to the United States, settling in the Bronx, New York, on Bruner Avenue, where she continued to build a life for herself and her family.

Rose was a hardworking and dedicated woman who took pride in her career as a nursing aide, caring for others with compassion and kindness. Beyond her work, she found joy in the simple pleasures of life. She was a wonderful baker who took great pride in preparing delicious deserts for her loved ones. Her favorites were definitely rum cake and pineapple upside down cake. She also enjoyed sewing and crocheting. It was never a Christmas without a blanket or a cozy sweater from Rose.

Rose especially enjoyed spending time at the senior center on Baychester, celebrating holidays, and making cherished memories with family and friends. Thanksgiving held a special place in her heart, as it was her favorite holiday. She loved cooking and bringing everyone together around the table, creating moments that her family will forever treasure.

Rose also enjoyed her yearly cruises, which brought her great happiness and excitement. She looked forward to these special trips and always returned with wonderful memories. Among the things she treasured most were her pets, Champ and Lucky, who held a very special place in her heart and brought her endless companionship and joy.

Rose was a loving mother, grandmother, sister, and friend. Her presence brought warmth, laughter, and love to those around her. She will be remembered for her generous spirit, her love of family, her delicious cooking, and the special memories she created throughout her life.

Rose was preceded in death by her beloved husband, Cecil and her cherished daughter, Donna.

She leaves behind three loving children, six siblings, seven grandchildren, eight great- grandchildren, and two great-great-grandchild, along with extended family members, dear friends, and all those whose lives she touched.

Though Rose has departed this earthly life, her love, laughter, and beautiful memories will live on forever in the hearts of those who knew and loved her.

Forever loved, forever remembered, and never forgotten.

Grandma, we'll forever cherish our summers in the Bronx, filled with family, laughter, and your unforgettable fried chicken. We find peace knowing our mom welcomed you into heaven, where you are finally free from pain and able to enjoy the vibrant, active life you once loved.

With all our love, Ifia & Tiffany
