

Our Angel

God sent me an Angel
All those years ago,
He placed her in my presence
To watch me as I grow.
To hold out her hands,
As I took my first steps
to catch me when I fell
and showed me what was best
To share in my dreams
And realize they could come true
Encourage me to go on
When I felt I couldn't make it through
Through proms and weddings
Marriages and Divorce
My Angel always beside me
During each difficult choice.
That big gorgeous smile
The whisper of secrets shared
All that my Angel said and did
Proved how much she really cared
So, I guess I have proven myself worthy
To go the rest of the way on my own
For the wind whispered "it is time"
And my Angel was sent home.
