# God's Garden

God looked around His garden  
And found an empty place  
He then looked down upon the earth  
And saw your tired face.  
He put His arms around you  
And lifted you to rest  
God's garden must be beautiful  
He always takes the best  
He saw the road was getting rough  
And the hills were hard to climb  
So He closed your weary eyelids  
And whispered, "Peace be Thine"  
It broke our hearts to lose you  
But you didn't go alone  
For part of us went with you  
The day God called you home
