## **A Spirit That Never Dies**

*My Grandfather spirit is something that I will always remember,  
because it is something that can not be dismembered.*

*His spirit is something that I will hold dear to  
my heart and forever will never part.*

*His spirit was bold and strong and never steered you wrong.*

*His spirit had more than enough loving care;  
it was never selfish but always willing to share.*

*His spirit was never dull but bright, it put a smile  
upon your face whether it was day or night.*

*My Grandfather spirit will always and forever live  
on for the rest of our lives because it is*

**A SPIRIT THAT NEVER DIES!**
