Patricia loved spending time with family and friends, and talking about good times and childhood memories. She had a special personality that was friendly, caring and unique. Her vibrant character drew people to her. She was committed to keeping in touch with family and friends near and far. She made it a point to travel to her family reunion to keep connected with her extended family. Patricia was a devoted mother of three sons, and her children and grandchildren were central to her life.

Change of Address
Remembering - Patricia Alexander

Please be advised that I have moved. I received a call from God, the Chief Architect and He informed me that my new home was completed. You all know that I had been working on my residency, sending up my timber, packing up and getting ready to go. I know that my home needed some finishing touches and that the Chief Carpenter, Jesus Christ had to inspect it and give me the final approval.

In the month of September 2010 he let me know that my home was completed and that it was alright to move in. He told me to go ahead and change my address.

I want to tell you my new home is finished and what a sight to behold, it is located on an exclusive estate area behind a beautiful Pearly Gate. Of course, you know the streets are paved with gold and every day is Sunday, just like you've been told. Trees and twelve manners of fruit grace my garden here, and I can walk with my Master with not a worry or care.

I lived in a home built by man for many years, but my new home is so much better than any other place I've ever lived. There is peace here - joy, happiness, no pain, no heartaches, no doctors needed, no discontentment, only sweet serenity. I can dine at the Mater's bountiful table while listening to a Heavenly Choir and best of all: my Heavenly Father is here with me in all His Glory.

Oh yes, I have my own designer here who has fitted me with my very own White robe with wings. I could go on and on about my new home, but instead I'm going to Pray that you get to move here yourself one day..... before I go, let me give you my new Address.

Oh, I don't have a telephone, but you can always call on God.
His line is never busy or disconnected and He's always there.

If you don't know His Number, read your Bible.
It's listed on every page.
