Sherelle Monique Lezama Glover was born August 5, 1982 at Barnertte Memorial Hospital in Paterson, New Jersey to her proud parents, Sylvester Lezama and Nancy Lezama.

Sherelle was a resident of Ledgewood, NJ and was in transition to relocate back to Jersey City, NJ. She attended Hackensack Public School system until her ninth year, when her family moved to the suburbs of Morris County in 1996. Sherelle graduated from Morris Knolls High School in 2001. She also graduated from HoHoKus School of Hackensack in 2008, when she attained her licensed Practical Nurse diploma. Currently, enrolled at Helena Fold College of Nursing in Manhattan to become a Registered Nurse.

Sherelle was employed by Dr. Elliott Fishki, Hematology & Oncology in Roselle, NJ as an Oncology Nurse for the past two and a half years. She loved her patients and was quite compassionate with them as they underwent their chemotherapy regimen.

She was also employed by Hackensack Univ. Med Center for approximately five years as a Unit Clerk on Peds ICU and 3 Pav. West.

Sherelle Lezama was united in marriage August 2000 to Robert Glover and from this union Bianca Symmone Glover was born January 31, 2001.

Sherelle was a wonderful independent mother to Bianca offering her warm, thoughtful, loving guidance through her daughters precious years. Always inspiring Bianca to do her best. Sherelle was witty, beautiful inside and outward, vivacious, graced with perfect height, very pleasant, always smiling, intelligent and immensely articulate.

One of her closest friends stated, Sherelle was charming, affectionately a "Tough" Chic. Her cousin Danielle said, she was a "Fabulous Diva, ambitious, courageous, strong and loved the finer things of life."

She leaves to cherish her indelible memories in love to: her daughter, Bianca S. Glover; her husband, Robert Glover; parents, Sylvester Lezama, Nancy Lezama McClain and stepfather, DoNat Levy; four devoted sisters, Carlotta Wilson, Doriane Lezama, Latisha Lezama and Angela Lezama; one loving brother, Kevin Moses; grandmother, Lucille Peterson; a host of extended family members and numerous amounts of cherished cousins, aunts and friends; and her best friend from Fairmount Elementary School in Hackensack, Ms. Alissa Bredy who always loved and understood Sherelle unconditionally!

My mom was a fantastic mother. She took great care of me and she was very pretty! We all miss her a whole bunch-a-lotta, but she is in a better place now. She is watching us and protecting all of her loved ones and other people she knew. Even though she is not visible we can see her in our minds. I love my mommy so much and I know she loves me back and the people she cares about. She was a great sister, mother, cousin, friend, etc. We can dream about her and she can dream about us. Mommy is in a real nice place and God thought it was the right time for her to go, but I didn't. She could have lived another 50 or 60 more years but she is gone and we are all sad. Let's pray for her and she will pray for you.

*Her loving daughter,
Bianca*
