I Have Slipped Away

*Like waves of an ocean,
doing it's commotion,
I have slipped away!
Please do not cry for me;
I am happy and free!
I have slipped away!
I am truly at rest
nestled among the best.
I have slipped away;
Venturing up and away
on this new sunny day,
Heaven bound... Without a sound...
Your Kenny.
Glory! To God be the Glory.
-By JAH. I*
