## *A Revelation to John 21:1-27*

*And I saw a new heaven and a new earth; for the former heaven and the former earth had passed away, and the sea is no more.*

*I also saw the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*

# Never be Gone

*Never be gone Although you do not see her, she is right there by your side although you cannot feel her arms, although you do not hear. her voice, those words continue to direct your path Although she is not around, she will never be gone the heart determines who we are and what we become AS LONG AS YOU KEEP HER IN YOUR HEART, SHE WILL CONTINUE TO INFLUENCE YOUR Life Think ABOUT the times you had together do not dwell on her not being around. Dwelling will cause you to forget her and the times you want to cherish, there are many people in your life that you have an influence on realize the influence you have on others will be due to the influence she had on you as you influence others she remains alive through them Although she is not around she will never be gone because she's living through you and others.*
