Miss Me, But Let Me Go

*When I come to the end of the
road and the sun has set for me,
I want no rites in a gloom filled room,
Why cry for a soul set free?
Miss me a little-but not too long,
and not with your head bowed low.
Remember the love that we once shared,
Miss me-but let me go.
For this is a journey that we all must take,
And each must go alone.
It's all part of the Master's plan,
A step on the road to home.
When you are lonely and sick at heart,
Go to the friends we know.
Laugh at the things we use to do
Miss me-but let me go.*
