Tamika's Last Written Words

Great Morning,
I've heard many times about
God shifting the atmosphere.
But today I actually know what it means for
Daddy to shift the atmosphere.
He's not only shifting it, he's switching
the whole entire game up.
Not that he is new or different,
he doesn't change like we do.
He doesn't need to, he's all together perfect.
But he does change it for us, because
We need to evolve, and become more like him.
I must admit that curiosity sometimes nudge me.
I realize that all perfect things takes patience.
I know you're in front and behind the scenes of life.
I trust you to direct me in every way.
Everything I've ever wanted is here.
I don't have to wait any longer.
Amen
I'm Free Indeed!
