## **Rose Danielle Clark Fuller**

(February 6, 1969 - June 28, 2018)

**Rose Danielle Clark Fuller** had a magnetic smile and brought joy into every room she entered. When she looked at you, you knew that you would be cared for and loved. She was a loving wife to the late David L. Fuller; and mother to five beautiful children, Geneva, Jennifer, Mercedes, Cashmere, and Donovan for whom she strove to be the best guardian, nurturer and provider. She was the grandmother of Jacera, Jakai, Jaikel, Skyler. She talked to close friends endlessly about the joy and sense of pride she held in her heart for each of her five precious gifts--her children--and sought the strength and wisdom to be a role model for them as they continued to achieve great accomplishments.

Rose was a great cook and enjoyed entertaining family and friends; in fact, she had an enormous heart and always found a way to be a blessing to anyone who was in need. That's just who she was! Rose shared her God-given energies and talents during her tenure in several jobs serving individuals and families impacted by mental health and substance use issues, homelessness, justice-involvement, and physical disabilities. She worked as a Peer Counselor at Kings County Hospital and as a receptionist and peer supporter at several housing programs run by Community Access, Inc. Rose was bright, driven, and held high standards for herself, her family, and her friends. She often talked about going back to school to become a nurse and for a long time worked tirelessly towards that goal.

Rose's compassion came from her experience addressing life's ups and downs and she worked very hard to remain positive and hopeful, even during the hard times. Everyone who knew Rose can attest to the legacy she left: to do your best, hold your head high, and start over as many times as necessary to reach your goals. Many people have benefited from Rose's devotion and support; and, although she has gone home to be with her Savior, she has left us with a treasure chest of great memories, laughter in our hearts, and many, many hopes for the future. We will remember you fondly, dear Rose. Thank you for being a part of our lives.
