Virtuous Woman

*She's the solid foundation of life,
which automatically falls into place.
Lifting herself above and beyond normal expectations,
wisdom glows from her face intuition's
a main part of her shield,
surrendering her heart for her faith in God is real.
The load may be heavy
and the road may lead her in many directions,
but never will she compromise
the duty of true affection,
holding together family and others in needs.
Pureness in her heart to give
rather than receive sacrifice,
never giving it a second thought,
it comes naturally,
She's without a price.
Embracing everything good in her life.
Walking in steps which God has laid,
A true spiritual being,
she is the center with love never to fade.
Believing in the Lord,
she lives in a world without doubt.
Understanding God and what life is truly about
faithful, honest, she has built a home
in the truth a gift from God to pass on to you.*
