## *"I Will Miss You, Dad"*

*I'll miss you in the morning  
And when the sunset fades away  
The ache within my heart  
Just won't go away*

*My heart is filled with love for you  
When I think of how much you cared  
As I relive all the happiness  
And previous joy we shared*

*You're with me every moment  
And in every move I make  
Like the memories I have for you  
That I never will forsake*

*Love,*

*Renee*

## *Until We Meet Again.....*

*Those special memories of you will always bring a smile if only we could have you back just for a little while. Then we could sit and talk again just like we used to do you always meant so very much and always will do too.
