## *When I Must Leave You*

*When I must leave you for a little while  
Please do not grieve and shed wild tears  
And hug your sorrow to you through the years  
But start out bravely with a gallant smile  
And for my sake and in my name  
Live on and do all things the same  
Feed not your loneliness on empty days  
But fill each waking hour in useful ways  
Reach out your hand in comfort and in cheer  
And I in turn will comfort you  
And hold you near  
And never, never be afraid to die  
For I am waiting for you in the sky!*
