*Trinity Cemetery  
New York, New York*

## *Reflections of Life*

*Ollia Mae Baker or O'B was born February 22nd, 1934 in Pine Mount, Florida. She was the youngest of eight children to Joe & Alice Baker. At an early age Ollia relocated to New York City.*

*Ollia was a believer, she accepted the Lord Jesus Christ and trusted him with all things. She often spoke about her relationship with the lord.*

*Ollia loved her family, good food and a good party, she had a wonderful smile that could light up a room.*

*In 1996, she married her long -time friend M. Kirimuha Baguma a partnership that gained her a bonus daughter Toccarra Baguma.*

*Ollia spent many years working for the Nynex phone company eventually becoming a manger. In 1997 she retired and spent her latter years as caretaker for her niece & nephew Eurlene &Anthony Pender as well as her husband and daughter.*

*Ollia departed this life on March 14th, 2019. She leaves to cherish her memory and carry on her legacy, her daughter Toccarra Baguma, a sister Elizabeth Peterson of Buffalo, NY; the Finkley family of Miami FL; as well as a host of nephew's nieces' family and friends.*

*From the family*

*God saw you were getting tired  
and a cure was not to be  
So he put his arms around you  
And whispered "Come to Me"  
With watchful eye we watched you  
And saw you pass away  
Although we loved you dearly  
We could not make you stay  
A golden heart stopped beating to prove to us  
He only takes the best.*

### *Acknowledgement*

*Words are inadequate to express the gratitude we feel toward our friends, neighbors and loved ones who have consoled us during our time of bereavement. Your prayers, love and presence have sustained us. We thank each and every one of you.*

*A heartfelt thanks to the many that were praying for Ollia through this difficult time.*

*Special thanks to the church families of Agape Fellowship Church-Brooklyn NY, Lowly Nazarene Baptist Church-Bronx NY & The First Bible Church of the Lords Mission-Bronx NY who continuously kept her in their prayers.*
