Psalm 23: The Lord is my shepherd; I shall not want.

My Dad

My Dad, My Dad we laughed, we fought, we cried into the night.
The love we shared could never be compared.
My heart hurts because you are not here for me,
As always helping and protecting me without my knowledge.
I was given my path, there you were,
As a good Dad should be.
Now you are gone to join with my mother,
Flying with the angels above me.
And I am left without you.

If only you knew how much you taught me,
You always said to me listen to my good advice,
I followed your wishes, and I did the right thing
I hope you are proud of the men that we became
Watch over us from heaven,
As you did on earth.
With you new wings fly on Dad.
We will always love you.
