I'm Free

*Don't grieve for me, for now I'm free I'm following the path
God laid for me I took his hand when I heard Him call I
turned my back and left it all. I could not stay another day.
To laugh, to love, to work or play. Tasks left undone must
stay that way, I found that peace at the close of day.
If my parting has left a void, Then fill it up with remembered
joy. A friendship shared, a laugh, a kiss, Oh, yes these things
I too will miss. Be not burdened with times of sorrow, I wish
you the sunshine of tomorrow. My life's been full, I savored
much. Good friends, good times, a loved one's touch. Per-
haps my time seemed all too brief, Don't lengthen it now
with undue grief. Lift up your heart and share with me, God
wanted me now, He set me free!*
