# MOM

For all the times that we forgot to "thank-you,"  
For all the special, little things you do,  
For all the words that sometimes go unspoken,  
We need to say, "I love you, Mom...we do.

We love you for the way you stop and listen,  
And for your kind support throughout the years,  
For teaching us the meaning of compassion,  
And sharing in our triumphs and our tears.

And, if at times, we may have seemed ungrateful,  
We want to say, "we truly hope you see,  
That nothing you have done has been forgotten,  
And day by day you just mean more to us.
