# *In Memory of Sharon*

*To lose someone so special has filled me with grief.  
The kind of pain and heartache that only time can relieve*

*There's still a sun up in the sky' life goes on day by day,  
But the world lost something precious when you passed away.*

*Life sometimes feels hopeless, the world often feels blue,  
But what gives me strength and hope are my treasured memories of you.*

*I'm missing someone wonderful and truly dear to me.  
You were loved so very much, and that's how you will always remain.*  
-Love, Angie
