# Obituary

*It is with great sadness that the family of Francine Davis announces her passing on Thursday, August 22, 2019 at the age of 72.*

*Francine was the only child of Harold and Mary Davis. She was raised in Harlem and educated there.*

*After high school Francine briefly worked as a librarian. Shortly thereafter, she went to work for the New York City Transit Authority and retired from there.*

*Francine studied the Holy Quran and the Holy Bible before she became ill.*

*She was a loving and unselfish person, giving freely. She was also an out-going person who loved to travel.*

*Francine leaves to celebrate her life: first cousins on her father's side, Marsha Bailey, Joan Williams, Bobby Prince and their children, Josana, Shevette, Tyrone, Baraka, Lateef, and Jihad; her partner, Barry Akbar Bosier and his children, Karriem, Ebony, Siraj, and most of all Yusuf. Yusuf was her rock, whenever a family member spoke to Francine she would always mention Yusuf. She considered him as the son she never had. Also to celebrate her life is a host of family and friends. Thank you to all.*

*Peace and Blessings*

*As-Salaam Alaikum*

# Afterglow

*I'd like the memory of me  
To be a happy one,  
I'd like to leave an afterglow  
Of smiles when day is done.  
I'd like to leave an echo  
Whispering softly down the ways,  
Of happy times and laughing times  
And bright and sunny days.  
I'd like the tears of those who grieve  
To dry before the sun  
Of happy memories that I leave behind,  
When the day is done.*
