## *A Light*

*A light from our household is gone*

*A voice we loved is still*

*A place is vacant in our home*

*Which never can be filled*

*Some day we'll meet again*

*Our loved one is gone before us*

*Someday we'll reach that happy*

*land where parting is no more*

## *God Is Saying*

*God is say to you today, I know what you are going through because I know your heart. In this next season of your life, I will bring people to you who will help you... They will encourage you... Not judge you. They are not part of your past, so they will not keep a reminding you of it. Stay focused on Me. Things are about to turn around to work in your favor.*

## *Family I'm Free Now*

*While viewing my body and the preacher is eulogizing me, don't cry. I'm not dead, I'm just sleeping and when that trumpet sounds, those dead in Christ will be the first to answer His awoken call. Don't grieve for me. I took His hand when I heard Him calling, I turned my back, and left it all. I could not stay another day to laugh to love to work or play. Some things I left undone must stay that way. I saw peace coming toward the close of day. If my parting has left a void please fill it up with memories of you and me with remembering joy. A friendship, a laugh, a kiss shared. Ah, yes these things I too will miss. Don't be burdened with tears of sorrow. My life has been full. I savored much good friends, good times, and loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your heart and share with me. God wanted me now. He set me free.*

*Farewell good bye my family and friends.*

### *Acknowledgement*
