ENTRANCE SONG

*Here I am Lord, is it I Lord, I have heard you calling in the night,
I will go Lord if you lead me, I will hold your people in my heart.*

1-I the Lord of sea and sky, I have heard my people cry. All who dwell in dark and sin/ My hand will save..... I who made the stars of night, I will make their darkness bright. Who Will bear my light to them, whom shall I send?

2-I the Lord of snow and rain, I have borne my peoples pain. I have wept for love of them, / They turn away.... I will break their hearts of stone, give them hearts for love alone. I will speak my word to them, Whom shall I send?

R/

2.- He guides me in right paths / for his name's sake. / Even though I walk in the dark valley / I fear no evil;/ for you are at my side / with your rod and your staff / that give me courage. R/

3.- You spread the table before me / in the sight of my foes; /
You anoint my head with oil; / my cup overflows. R/

4.- Only goodness and kindness follow me / all the days of my life; /
and I shall dwell in the house of the LORD / for years to come. R/

avec Toi je veux prendre la mer.**

I will seek other shores.

3.-Toi, tu sais bien ma faiblesse, car je n'ai, ni épée ni fortune,
mais mon filet et ma jeunesse.

nom,/ sur le sable, j'ai laissé là ma barque/
avec Toi je veux prendre la mer.

seek other shores.

la nuit le jour: que tu es bon,
O Dieu d'amour!» bis

On The Wings Of Hope

As an ancient legend goes;

*'If anyone desires a wish to come true,
they must capture a butterfly and whisper that wish to it.
and thank them for the joy and happiness they brought to us.*

*With this symbolic gesture, we honor
those that have left us and encourage
those left behind to continue the fight "On the Wings of Hope".*

*Since butterflies make no sound,
They can't tell that wish to anyone but the Great Spirit,
So by making the wish and releasing the butterfly,
It will be taken to the heavens and be granted.
Although this legend implies that we should keep our wishes silent,
there are some wishes that need to be expressed out loud.
To those that have been touched by the disease
we are helping to fight today,
We wish the caregivers strength and tranquility,
and thank them for their gifted labor of love.
We wish the survivors a long and happy life,*

*and thank them for showing us how to fight
with courage and determination.
We wish those currently fighting the battle energy and hope,
and thank them for showing us what true bravery is all about.*

*And finally, we wish the victims peace and love, and thank them for
the joy and happiness they brought to us.
With this symbolic gesture, we honor those
that have left us and encourage
those left behind to continue the fight "On the Wings of Hope".*
