My Last Request

Please don't say that I gave up, just say that I gave In.
Don't say I lost the battle, for it was God's war to lose or win.

Please don't say how good I was, but that I did my best.

Just say I tried to do what's right, to give the most,

I could not do less

Please don't give me wings or a Halo, that's for God to do

I want no more that I deserve, no extra's just my due

Please don't give flowers, or talk in real hushed tones

Don't be concerned about me now,

I'm well with God, I made it home.

Don't talk about what could have been,

It's over and it's done

Just see to all my family's needs, The battle has been won.

When you draw a picture of me, don't draw me as a saint,

I've done some good, I've done some wrong

So use all your paint.

Not just the bright and light tones, use some grey & dark

In fact, don't put me down on canvas,

Paint me in your heart.

Don't just remember good times, but remember all the bad

For life is full of many things, some happy and some sad

But if you must do something, Then I have one last request

Forgive me for the wrongs I've done, and with the love that's left
Thank God for my soul's resting, Thank God for I've been blessed

Thank God for all who loved me,

Praise God who loved me best
