The Prayer of Saint Francis

Lord, make me an instrument of thy peace – that where there is hatred,
I may bring love – that where there is wrong,
I may bring the spirit of forgiveness – that where there is discord,
I may bring harmony – that where there is error,
I may bring truth- that where there is doubt,
I may bring faith – that where there is despair,
I may bring hope – that where there are shadows,
I may bring light- that where there is sadness,
I may bring joy.

Lord, grant that I may seek rather to comfort than to be comforted –
to understand, than to be understood – to love, than to be loved.

For it is by self-forgetting that one finds.

It is by forgiving that one is forgiven.

It is by dying that one awakens to Eternal life.

Amen.
