A message to Dad

I thought of you with love today but
that is nothing new, I thought of you
yesterday and every day before that too.
God gave you wings, so I know that
you are watching over me.
God will give me strength to be
everything you want me to be.
My Dad, I will remember you forever
and ever. I'm glad now
you're Ok

Love Always, Keian

A Life's Reflection

A journey begins...

I'm Free

Don't grieve for me, for now I'm free, I'm following the path God has laid you see.
I took His hand when I heard him call, I turned my back and left it all.
I could not stay another day, To laugh, to love, to work, to play.
Tasks left undone must stay that way, I found that peace at the close of day.
If my parting has left a void, Then fill it with remembered joy.
A friendship shared, a laugh, a kiss, Oh yes, these things I too will miss
Be not burdened with times of sorrow, I wish you the sunshine of tomorrow.
My life's been full, I savored much, Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief, Don't lengthen it now with undue grief.
Lift up your hearts and peace to thee, God wanted me now; He set me free

In Loving Memory

God saw you were getting tired and a cure was not to be,
So he put his arms around you and whispered, "Come to Me."
With tearful eyes we watched you, and saw you pass away.
Although we loved you dearly, we could not make you stay.
A golden heart stopped beating, hard-working hands at rest.
God broke our hearts to prove to us, he only takes the best
