## I'm Free

*Don't grieve for me, for now I'm free  
I'm following the path God laid for me*

*I took his hand when I heard Him call I turned my back and left it all.  
I could not stay another day. To laugh, to love, to work or play.*

*Tasks left undone must stay that way,*

*I found that peace at the close of day. If my parting has left a void,  
Then fill it up with remembered joy.*

*A friendship shared, a laugh, a kiss, Oh, yes these things I too will miss.  
Be not burdened with times of sorrow, I wish you the sunshine of tomorrow.*

*My life's been full, I savored much.*

*Good friends, good times, a loved one's touch. Perhaps my time seemed all too brief,  
Don't lengthen it now with undue grief.*

*Lift up your heart and share with me, God wanted me now, He set me free!*
