I Remember

*October 24, 1989, is the day you were born
I remember that day like it was yesterday
I remember how I felt when I held you in my arms
I remember touching your tiny little hands
I remember counting your fingers and toes
I remember telling myself how blessed I am
to give birth to a special son like you
I remember when you smiled, it would melt my heart
I remember your first steps across the hall
I remember you cried whenever you fall
I remember your dreams and your goals
that you envisioned for yourself
Now all I have left of you are memories
I will always remember the day that you passed away
And how it makes me feel deep down inside
The pain I felt when I was having you
Is nothing like the pain of losing you
I'll cherish all the moments that we shared together
All the laughter and our dance together
My love for you will always be
And you will always be in my heart
Having you is truly a dream come through*

Love, Mom
