## A Letter From Heaven

When tomorrow starts without me And I'm not here to see If the sun should rise and find your eyes, Filled with tears for me

I wish so much you wouldn't cry
The way you did today
While thinking of the many things,
We didn't get to say

I know how much you loved me,
As much as I loved you,
And each time you think of me
I know you'll miss me too

When tomorrow starts without me Don't think we're far apart For every time you think of me I'm right there in your heart
