Run Free

Dad, go run free with the Angels and dance around the Golden Clouds for the Lord has chosen you to be with Him and we should feel nothing but proud although He has taken you from us Our pain, a life time, will last our memories will never escape us but make us glad for the time that we had your face will always be hidden deep inside our hearts each precious moment you gave us shall never, ever depart so go Run Free with the Angels as they sing so tenderly please be sure to tell them to take good care of you for me.

Loving and Missing You Always,
Your Bay Gurl Vida
