Obituary

Thelma May Hall was born to Greata Hall and Nathaniel Reid on June 21, 1937 in Rio Hondo, Costa Rica. She attended Escuela Mixta de Rio Hondo as a little girl. Thelma migrated to the United States of America in 1961 to pursue a better life for herself and family, she was very Instrumental in the relocation of the entire Hall/Graham family.

Thelma achieved her High School Diploma at Central Evening High School as well as obtaining her Certification as a Nursing Assistant. This accomplishment allowed her to gain employment at New York University Medical Center - Rusk Institute of Rehabilitation in 1968. Thelma retired after 30 years in 1998.

Thelma was baptized as one of Jehovah's Witnesses in the summer of 2000. She attended the Remsen Congregation in Brooklyn and enjoyed spending time with her spiritual family singing and praising Jehovah. She shared the good news of God's Kingdom with those who were willing to hear and this brought her great satisfaction.

Thelma was affectionately called "Titi" by her family. She had a passion for fashion, everyone that knows her knows that she was always matching from head to toe. She was stylish and Classy.

Thelma was a caring loving person who enjoyed helping others by giving them a place to stay, always ready to bake her cakes and cassava pudding and cook her favorite dishes like cow foot soup and escovich meatballs.

On December 14, 2019 Thelma made her transition and departed this earth. Preceding her in death is her mother Greata, sisters Hazel and Eugenia, brothers Lorenzo and Tayo and grandson Patrick.

Thelma leaves to cherish her memory her children Arnoldo and Maxine, daughter-in-law Robyn, sister Myrna, grandchildren Akiem, Shyiemi, Anderson, Deandra, Ashanti, Naquain, Davaughn, Melissa, Ishmel, Cheyanne, Malik, Akayla, five (5) great grandchildren as well as a host of nieces, nephews, cousins and friends.

Acknowledgements

The family of the late **Thelma Hall** would like to extend our sincere appreciation to all of you for your consideration in our hour of distress. Perhaps you've sent a lovely card, perhaps you visited the hospital and sat quietly in a chair or prayed, perhaps you've sent a floral piece, if so we saw it there. Perhaps you spoke the kindest of words as only true friends can say or perhaps you weren't there at all and simply thought of us that day. Whatever you did to console our hearts and whatever part you played, the Hall family thanks you from the bottom of our hearts for helping to make our burden a little lighter.
