## *Reflections of Life*

Rex was born January 28, 1961 in Millers Ferry, Alabama. He was the son of Lucy Marsh and Freddie Hunter.

Rex was the oldest child which also included his five other siblings. He is now joined with his brother Perry Marsh who preceded him in death.

He has always had a close bond with his family members. He loved to enjoy life. His main hobby was to fish and to ride his bicycle. It's because of Rex that most of his family knew how to fish or even have the passion to just enjoy the moments that we have by the ocean side. Rex loved spending time with his family and friends no matter if it was on a fishing trip or even at a family gathering which always included food at his sister Elizabeth's house. Rex shared a lot of special moments with everyone in his life. We all had lots of laughs together and cried together as well.

Over the years Rex was employed at a few companies as a machinist. He was very good at fixing just about anything you can name at work and home. His main job was fixing parts and machines. He worked for five years at High Technology. He also worked for ten years at FP Schmidt where he invented a part and fixed parts as well. His last job was at Scientific Atlantic until they relocated.

Rex Lorenzo Marsh departed this life on Thursday, December 19th 2019 at 3:34AM.

He was the stepson to the late Liddle Williams, the husband to Julia E. Cox, father to Maurice Cox and Eyvonne Marsh-Broughton. The eldest brother to Rondey Marsh, Darrell Williams, Reginald Williams, Elizabeth William and to the late Perry Marsh. Rex was also blessed with having six grandchildren, Diamond, Makayla, Lamar, Taijay, Laila and Jaimahja. He was also loved by all his nephews, nieces and cousins.
