I Miss You Always Sister

*My heart has been left broken
Since the day you had to go
And the memories I treasure dearly
Are in the tears that still flow
You're in my thoughts everyday
And that's how it will always be
For you may be up in Heaven now
But you'll always be with me
If only I could have the chance
To see your face once more
Or to hear your voice one final time
Just like it was before
The day that Heaven calls for me
Will be a relief from all this pain
I'll run to you with open arms
And we will meet again*
