

Miss Me But Let Me Go

*When I come to the end of the
road and the sun has set for me,
I want no rites in a gloom filled room,
Why cry for a soul set free?
Miss me a little-but not too long,
and not with your head bowed low.*

*Remember the love
that we once shared,
Miss me-but let me go.
For this is a journey
that we all must take,
And each must go alone.
It's all part of the Master's plan,
A step on the road to home.*

*When you are
lonely and sick at heart,
Go to the friends we know.
Laugh at the things we use to do
Miss me-but let me go.*

Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent a floral piece If so, we saw it there.
Perhaps you spoke the kindest words as any friend could say.
Perhaps you were not there at all just thought of us on that day.
