**Myrna Norine Gillett** was born on February 9, 1943 and was the 3rd child of Violet and Isaiah York, born in Belize City, Belize. She spent her childhood and young adult life in Belize with her 2 older brothers.

She departed this life on January 22, 2020 at Bronx Lebanon Hospital in the Bronx, New York.

She attended Salvation Army school as a child. As a young adult, she became a Member of the Rangers (similar to the Eastern Stars). She was known for being a hairstylist and also as a seamstress. She was known by many for the beautiful drapes and dresses she created. She was a miracle worker with her hands, women would seek her to press their hair. She worked out of her home beautifying women in Belize.

Myrna married her late husband Rueben Gillett and gave birth to three beautiful children, one girl and two boys: Desiree, Rueben and Dwayne.

Myrna was known for her cooking. Her family was able to experience her home-cooking first hand. She was an amazing cook. She was known for her oxtail, rice and peas, broil-up, shrimp with crabmeat, stuffed fish and her famous caramel cake, and too many other culinary dishes to mention. Everything she cooked was good!

She was the life of the party, she could captivate anyone with her jokes and story-telling. She loved a good game of Pitty Pat, She was a skilled player.

She was a world traveler who loved cruising. Some of the places she visited was St. Lucia, Grenada, St. Kitts, Trinidad and Barbados. Although she went to all of those places there was no place she loved greater than Belize.

She worked in Home Healthcare with patients that became family. Her family moved briefly to Florida and while there, she went to school studying Accounting. She worked for the Board of Elections while there but she longed for her family in New York. The family moved back to New York where she returned to her career in Home Healthcare, a career that she was devoted to for 30 years. Myrna loved her family, friends and patients and she was loved by all that knew her. She lived for her grandchildren, she loved them so much. There was nothing she wouldn't do for them, they meant the world to her.

Survivors cherishing the memories of her life are her Children: Desiree, Rueben, Dwayne; Grandchildren: Deashia, Desiree, Daquan, Davon, Davonte, Dijon, Dezhanae, Dylan and Quadir; Great Grandson King; Sisters-in-law: Lesna Ahart, Olive Rowley, and Amy Gillett-Robinson; her Nephew Lincoln Morris and a host of other Relatives, Cousins and Dear Friends.

## **"Amazing Grace**

Amazing grace! how sweet the sound, That saved a wretch; like me! I once was lost, but now am found, Was blind, but now I see.

'Twas grace that taught my heart to fear, And grace my fears relieved; How precious did that grace appear The hour 1 first believed!

The Lord hath promised good to me, His word my hope secures; He will my shield and portion be As long as life endures.

When we've been there ten thousand years, Bright shining as the sun, We've no less days to sing God's praise Than when we first begun.

## Acknowledgement

Perhaps you sent a lovely card Or sat quietly in a chair, Perhaps you sent a flower Unknown, If so, we saw you there Perhaps you spoke the kindest words As any friend could say Perhaps you were not there at all, Just thought of us that day Whatever you did to console ours hearts We thank you so much, whatever the part.
