

Our Brother

You gave no one a last farewell,
Nor ever said good-bye
You were gone before we knew it,
And only God knows why.
A million times we will cry
If love alone could have saved you,
You never would have died.
In life we loved you dearly
In death we love you still
In our heart you hold a place,
No one else can fill.
It broke our hearts to lose you.
But you didn't go alone.
For part of us went with you,
The day God took you home
We will meet again someday
I know you're in a better place
I thank God he made you our brother
While you were here on earth.

Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent a floral piece If so, we saw it there.
Perhaps you spoke the kindest words as any friend could say.
Perhaps you were not there at all just thought of us on that day.
Whatever you did to console our hearts, We Thank You, Whatever the part.
