

*In Loving Memory of*

*Don't cry for me,  
I'm not gone.  
My soul is at rest,  
My heart lives on.  
Light a candle  
For me to see  
And Hold on to my memory  
But save your tears  
For I'm still here,  
By your side through the years.*

## *The Chain Will Link Again*

*Little did we know that morning,  
God was going to call your name.*

*In life we loved you dearly,  
in death we do the same.*

*It broke our hearts to lose you,  
you did not go alone.*

*For part of us went with you,  
the day God called you home.*

*You left us beautiful memories,  
your love is still our guide.*

*And although we cannot see you,  
you are always by our side.*

*Our family chain is broken,  
and nothing seems the same.*

*But as God calls us one by one,  
the chain will link again.*

## *Footprints*

*One night a woman had a dream. She dreamed she was walking along the beach with the LORD. Across the sky flashed scenes from her life. For each scene, she noticed two sets of footprints in the sand; one belonged to her, and the other to the LORD. When the last scene of her life flashed before her, she looked back at the footprints in the sand. She noticed that many times along the path of her life there was only one set of footprints. She also noticed that it happened at the very lowest and saddest times in her life. This really bothered her and she questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me." The LORD replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."*
