## Reflections of Life

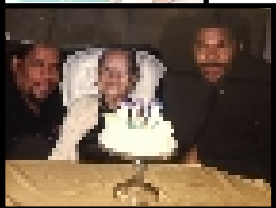

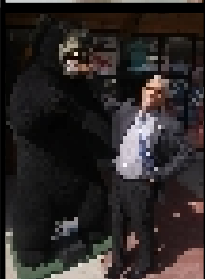

**Michael Alan Jones** was born on May 22nd, 1963 to the late Madge Etelka Jones and Joseph Alexander Lindsey (Buster) in Camden, New Jersey. God took Michael on Friday, February 7th, 2020.

Mike was educated in the Camden City Public school system, and graduated from Camden High School in 1980. He enrolled in Camden County College thereafter and earned his associates in Drafting for Computer Aided Design (CAD). Mike excelled in drafting, various maths, various sciences, earned many certificates, and nearly became a Physician's Assistant. However he also wanted to be his own boss, and would renovate houses and other spaces between jobs as a Space Planner and Home Renovator - all and including electrical work, rock wall finishing, flooring, and piping.

No job was too great or too small. No, it's seemed nothing was ever too great or too small for someone who values the details and never ceased to expound beyond them. Michael Jones was a draftsman by profession and a poet by vocation; as it was his fancy, of which no circumstance - save the one in his favor - had any bearing, to weave so elegantly drafting and poetry in a manner most befitting to his mind's eye. It goes without saying that Mike Jones, by inspiration, was an Architect of dreams that no existing degree could mirror, nor standing institution could ever receive the credit.

In 1995, he met his high school friend Natalie Lewis, and from this relationship

they produced two beautiful children: Lauren-Mikayla and Michael.

It's not the time we spend on this earth, but the quality of it, and there's no denying Mike's time was well spent. He was blessed with the gift of problem-solving and was always willing to offer help and advice to those in need of it.

Mike was a God-fearing man, and we pray that God has looked on him and told him *"WELL DONE, GOOD AND FAITHFUL SERVANT!"* (Matthew 25:21)

Michael leaves to cherish his memory two children; Lauren and Michael, three sisters; Valerie, Vickie (Karl) and Harriet, two brothers; Joseph (Linda) and Mark (Tracie), and was predeceased by his brother Philip. Family includes other children of Natalie - Whitney, Maunah, Aliyah, and Demi; two sisters-in-law - Linda and Amina; nine nephews - Anthony, Ian, Joseph Jr., Eric, Aaron, Alex, Hamza, Huddatha, and Terry, and was predeceased by Russel; three nieces - Ariel, Markita, and Trudy and was predeceased by Lisa. Family also includes very special friend Barry Rusnock, very special friend Mitch Gratsy, very special cousin Etlan Smith, very special church brethren in the United Church of God Philadelphia congregation and congregations worldwide, a host of cousins, and friends all of whom were most dear to him.

*"To be absent from today is to be with the Lord  
Today, God has seen fit to call another one of my brothers  
home to His Kingdom. Mike I can't even begin to express how  
bad my heart hurts right now. I am glad you were able to hear  
me tell you I love you for the last time. Know that I consider  
myself blessed to have had you in my life. The bond of love and  
blood between brothers is something that can never be broken.  
Go and take your rightful place in God's Kingdom, and tell  
grandmom, mom, dad, Philip, and Russel I love them and miss  
them dearly. Know that you will forever have a place in my  
heart... until we meet again brother, as always, I love you!"*

*Your Loving Brother,  
Mark*
