Final Disposition

*Oxford Hills Crematory

God looked around His garden and He found an empty place
He then looked down upon this earth and saw your beautiful face

He put His arms around you and lifted you to rest

God's garden must be beautiful, He always takes the best
He closed your weary eyelids and whispered peace be thine

It broke our hearts to lose you, but you didn't go alone
For part of us went with you the day God called you home.
