Reflections of Life

Robert William Parsons affectionately known as “Bobo” was born in Paterson, NJ to Robert Parsons and Ollie Nether (Adamson) on January 6, 1961. He grew up in Paterson and was educated in the Paterson Public School System, attending School #24 and Eastside High School. Robert has four brothers and one sister. His family nicknamed him “Bobo”, because when he was younger he had bowlegs.

Robert had a love for animals, especially dogs, when he was younger he would bring home stray dogs and nurture them. He also had a love for his family, especially his younger sister Nadine whom he adored, he used to call her everyday and sing to her and tell her that he loved her. Robert always expressed how much he loved his family and would let everyone know how much he loved his mother Ollie. Robert had the biggest personality that everyone loved. No matter how upset you were with him, once he told you a story, he had you laughing again. He always kept a job and did odd and end jobs to help others out, some things he knew he couldn't do but he tried anyway. Robert had a special friend in his life whom he was presently dating, Antionette Williams. If we know nothing else about Robert he loved his family, he was never shy about expressing his love for them.

He was predeceased by his wife; Dorothy McGill Parsons, father; Robert Parsons, stepfather; Robert Nether and brother; Jeffrey Jackson.

Robert departed this life on Monday, March 30, 2020.

To his aunt Kathy Manns, Robert truly loved you and thank you for everything. To his brother-in-law Terrence, he always told people he had big and important people in his family and he truly adored you. To his brothers Robbie, Mark, and Darryl he always expressed his love, along with his sister-in-law Mona.

Robert leaves to cherish his memory his sister; Nadine Love, his brothers; Darryl Adamson, Mark Nether and Robbie Nether.

Robert will sadly be missed by a host of nieces, nephews, cousins, aunts and uncles.
