## *My Dear Children*

*As I sit in heaven and watch you everyday, I try to let you know with signs that I never went away. I hear you when you're laughing and watch you as you sleep. I even place my arms around you to calm you as you weep. I see you wish the days away begging to have me home, so I try to send you signs so you know your not alone. Don't feel guilty because you have a life that was denied to me. Heaven is truly beautiful just you wait and see. So live your life laugh again enjoy yourself and be free, then I know with every breath you take you'll be taking one for me.*

# Heaven's Doorway

*There's a road that each of us travels, Often times with no  
chance for "goodbye" And those who are left sad and lonely,  
Grieve in silence and simply ask "why?"*

*But the question is one without answers, and the comfort that  
others provide, Still can't keep your poor heart from wishing,  
That your loved one was there by your side.*

*Yet, life has beginnings and endings, And one day your  
heartache will cease. Though it seems like you'll never stop  
hurting . Overtime you will find inner peace. You'll be able to  
think of your loved one without wiping a tear from your eye.*

*And you'll come to see death as a doorway,  
and not a forever good-bye.*
