## I LOVE YOU

If I knew it would be the last time  
That I see you walk out the door,  
I would give you a hug and a kiss  
And call you back for one more.  
If I knew it would be the last time  
I'd hear your voice  
I would tape each action and word  
So I could play them back day after day.  
If I knew it would be the last time I  
Could spare an extra minute or two  
To stop and say, "I Love You"  
Instead of assuming you KNOW I do.  
Tomorrow is not promised to anyone  
Young or old alike, and today may be the last  
Chance you get to hold your loved ones tight.

Your beloved mother,  
Dedra Hester

A heart of gold stop beating;  
Two shining eyes at rest,  
God broke our hearts to prove;  
He only takes the best,  
God knows you had to leave us,  
But you did not go alone,  
For part of us went with you,  
The day god called you home.  
To some you are forgotten,  
To others just part of the past,  
But to us who loved and lost you,  
Your memory will always last  
Love Everlasting DADDY,  
Love your Children

Sometimes I just sit quietly  
Reflecting for a while  
Imagining your voice, your face  
Your warm and loving smile  
For its so lovely to recall  
The happy times we had  
When you played  
such a special role  
As both life partner and dad  
And at this very special time  
I only wish you knew  
That I'd give all the world today  
For one more hour with you  
But I still have my memories  
And since we've been apart  
It comforts me so much to know  
That you're right here in my heart  
I LOVE YOU DON,  
ALWAYS TEE

Dear Pop Pop  
I would never ever forget our memories together.  
The times when you picked me up from school  
when you knew everyone else was busy.  
All the times I needed you, you were there. For all  
the moments with you I took for granted I wish I  
could have those moments back. I loved those mo-  
torcycle rides we took around the neighborhood,  
you had everyone looking at you like you were  
the cool dude, and you were! You were the coolest  
person I knew. I wish you were still here with me  
but I'm happy that you're not stressing and I'm  
happy that you will keep everyone safe. I've  
gained my guardian angel that I will always love  
and cherish memories in my heart til' it stops  
beating. I forever love you pop pop.

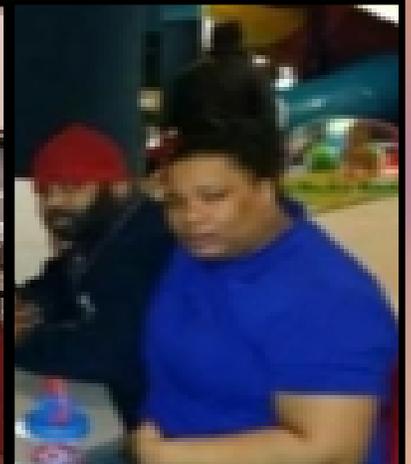

My forever love

LOVE Alani

# *Reflections of Life*

Son, father, grandfather, and friend, Danon Coniek White affectionately known as Donnie or Don was born on December 16, 1963 to the late Maurice Yard and Dedra White Hester Brooklyn NY.

Donnie received his education in the New York City Public School system starting with elementary at PS.241, middle school PS.320 and High School at Alexander Hamilton H.S. Donnie loved his music. He would deejay his favorite songs, and his favorite spot to get his party on back in the days was called "The GARAGE".

Donnie also enjoyed riding motorcycles. It was never a surprise to see Don riding his bike down Franklin Ave., all over Brooklyn, or simply parked up in front of Tivoli towers where he grew up. He also loved taking his neighborhood kids to school and picking them up. He loved it so much that it eventually became part of his daily routine. Donnie had lots of love for his family and friends. He would always take and pick people up from the airport. He started a pickup and drop off service until his health began to fail him.

Don loved his children and grandchildren. He also loved to eat and loved for people to cook him fish. He would often order food from his neighbors who cooked in the building. Another thing Don loved to do is tell a corny joke. He was good for taking a joke he heard and messing it up by telling it the wrong way.

In 1980, he met his childhood sweetheart Tatonia better known as "TEE". Though many obstacles occurred throughout the years Don and Tee remained inseparable.

Danon was called home April 25, 2020 just a few days later was followed by his father Maurice Yard on April 30, 2020.

He leaves to mourn his mother Dedra Hester, his brothers Damon, Duan, Peter, and Kareem, his sisters Monique and Cadiestra, his five children Kareem, Neilyon, Chiffon, Deyonca, Danonyei, grandchildren Aniya, Alani, Denali (preceding in death), Tremell, Leah, and Lauren to continue his legacy, along with a host of aunts, uncles, nieces, nephews, cousins, and many friends.

We will all miss you dearly but find peace and solace in knowing you are safe and looking down on us alongside your father and grandson. WE LOVE YOU DON!

## *The Chain Will Link Again*

*Little did we know that morning,  
God was going to call your name.*

*In life we loved you dearly,  
in death we do the same.*

*It broke our hearts to lose you,  
you did not go alone.*

*For part of us went with you,  
the day God called you home.*

*You left us beautiful memories,  
your love is still our guide.*

*And although we cannot see you,  
you are always by our side.*

*Our family chain is broken,  
and nothing seems the same.*

*But as God calls us one by one,  
the chain will link again.*
